

U.S. Department of Energy Solar Decathlon® Richard King Award

Nomination Form – Student Alumna/Alumnus

The Richard King Award for alumni is given annually to individuals who have participated in Solar Decathlon and made outstanding contributions to their university, community, or profession toward the transition to a clean energy economy.

This award is bestowed at the discretion of the Award Nominating Committee, made up of staff from the U.S. Department of Energy and the National Renewable Energy Laboratory, and is subject to the criteria outlined on the Richard King Award webpage.

Nominee Information (the person nominated for award)
